EO2 Douglas:

I want to express my sincere appreciation to you for your support of our Memorial Day preparations. You were instrumental in assisting us with cleaning section markers, pulling weeds and general beautification of the grounds. Your assistance helped to make our event a success and was a valuable contribution.

You have demonstrated the leadership skills and community involvement necessary to succeed in your career and have represented the high standards that are the hallmark of the United States Navy.

It is your charitable spirit, hard work, and dedication that helped make this project a success for the veterans and their families that we serve, and your kindness and generosity is appreciated.

Sincerely,
