My name is Kenya Balisage. I was born and raised in Roanoke Virginia. My parents are from Haiti. I also have one sister. I love to bother my sister and my mom. I'm really silly and fun, once you get to know me. Some of my interest are watching youtube and making entertaining videos of myself. I also have a youtube channel and I will be making videos and posting on there soon. I love to hang out with my friends a lot. Even if we aren't doing anything, just in the room relaxing on the phone. I am a pre-nursing major. I like nursing because my mom is a CNA and I wanted to do something related to what she does. I also find the human body and the way it works very interesting. I love clothes and shoes. Shoes are my very favorite things to buy. I buy shoes just to be able to have shoes that match every color shirt that I have.
