```

Copy line 16 and paste it command: `yy copy n P to paste`, replace http with HTTP command: `:%s/http/HTTP/g`, rename file copyright to copyright\_cyse270 command: `mv copyright copyright_cyse270`

ON this assignment, I learned how to use VI very well and learned with it takes it operate it. This assignment went very well and wasn't much of a struggle; it was just following the directions and steps of the vi. I was also working with copy and pasting, moving through lines, and typing in VI as well.
