

if I don't get admitted into my major, I will look into another nursing program or school. I could apply to ECPI university. I have looked at other programs but they don't fit for me. I am already on ECPI call list if I wanted to apply there. They were my first option but I had changed my mind at the last minute.

There are no deadlines for submitting an application. You can submit anytime that is preferable to you. A mission review at ECP I university depends on the admission assessment test scores.
