EDUCATION

MAY 2021

ASSOCIATE'S OF SCIENCE / CYBERSECURITY, TIDEWATER COMMUNITY COLLEGE, VIRGINIA BEACH, VIRGINIA

Graduated with 3.05 GPA Spring 2021. Experience in Kali Linux, Red Hat Linux 7, Metasploit Framework, and Microsoft Office Suite. Trained in firewall deployment, packet sniffing, penetration testing, hardware maintenance, network administration, network development, and designing / developing security plans / controls.

MAY 2024

BACHELOR'S OF SCIENCE / CYBERSECURITY, OLD DOMINION UNIVERSITY, NORFOLK, VIRGINIA

Current 3.35 GPA. Educated in security policy, protocol analysis, penetration testing, network administration, network development, law enforcement and compliance, and international and geopolitical conflicts and policies in cyberspace. Two semesters of Russian language and culture studies, two semesters of astronomy science.

ACTIVITIES

Member of the Tidewater Community College Cybersecurity Club, participating in two National Cyber League seasons. Active member/participant in Old Dominion University Off-Campus Student Association. Active member of local Jiu-Jitsu/Judo club, and amateur guitarist. I have a deep interest in computer penetration testing and Cybersecurity CTFs, and learning about physical penetration testing.
