The Artist

*Sincerely Eliza*

He caught my eye  
The stroke of the brush  
Gently against the canvas  
Passionately  
Expressing his thoughts  
Creating a masterpiece  
His perspective is colorful  
Vibrant  
In a flat world  
He painted dimensions  
He looked up  
Smiled  
As I watched him  
Through the windows  
Of his soul  
He gave me a different view  
On life  
On purpose  
Stay in the moment  
Always be present
