

Logan Pembleton

703-364-8701 | loganpembleton@gmail.com | Burke, VA 22015

Summary

Sophomore Cybersecurity student interested in internship or work experience to begin applying course training and gain knowledge in the field. Eager to transition hands on community-based work history into technical professional advancement.

Education and Training

Old Dominion University - Norfolk, VA

Bachelor of Science: Cyber Security - Expected Graduation May 2028
3.0 GPA

Lake Braddock Secondary School - Burke, VA

High School Advanced Diploma - June 2024

Experience/Relevant Courses

Linux Systems for Cybersecurity, Windows System Management and Security, Cyber Programming and Networking, Cyber Ethics, Cybersecurity and Social Science, Interdisciplinary Theory and Concepts, Digital Literacy

Projects

Discord Bot (Work in progress) – Built a multi-feature Discord bot to automate onboarding, activity scheduling, and role management for a Star Citizen community. Implemented automated welcome and verification flows, a calibrated activity-timing system, rank-up and moderation workflows, and presence-based availability tracking. Designed custom role hierarchy logic, automated role updates, and offense logging. Used AI-assisted development for rapid prototyping while independently engineering core logic, testing features, and deploying the bot with PM2 for constant uptime.

Awards & Honors

- Boy Scouts of America Eagle Scout, June 2022
- Boy Scouts of America Order of the Arrow, Oct 2021

Other Experience

- Virginia Soccer Ref Certification 2025
- American Red Cross Lifeguard Certification June 2021-April 2027
