

Miles Anderson

OBJECTIVE

As a Cybersecurity major and Criminal Justice minor, I aim to pursue a career focused on maintaining secure systems and defending against cyber threats. With technology becoming increasingly integral to our daily lives, my goal is to create a safe and user-friendly digital environment. I strive to ensure that individuals can use technology confidently and without fear of cyber threats.

EPORTFOLIO

<https://sites.wp.odu.edu/miles-k-anderson/>

EXPERIENCE

AUG 2024 - PRESENT

IT Consultant | CS Systems Group | Old Dominion University, Norfolk, VA

Assisting professors and students at ODU with hardware, connectivity, and access control issues. Performing routine maintenance and security checks on computer labs and devices to ensure the confidentiality, availability, and integrity of systems.

Completing advanced student projects in Linux, Windows, and Networking, gaining hands-on experience with the University's IT infrastructure.

EDUCATION

Tallwood Highschool | GPA: 4.01

Old Dominion University | Expected Graduation Date: May 2026 | GPA: 3.92

SKILLS

Technologically savvy with experience in both Microsoft Windows and Linux operating systems. Proficient in the Python programming language and certified as a Microsoft Office Associate, with skills in Microsoft Word, PowerPoint, and Excel. Excellent communication skills, strong problem-solving abilities, and professional etiquette.

LEADERSHIP

OCT 2022 - SEP 2023

Lead Cook | Granby's Waffle Shop | Norfolk, VA

Directed and led employees through business rushes, worked as a team, honed essential skills including leadership skills, the ability to maintain level headedness within a stressful work environment, critical thinking, and problem solving.

Communicated with customers to gain their feedback and trust to improve service and business atmosphere, gained insight on how to approach conflicts and de-escalate a situation.
