Student Work Samples

Lateral Reading Sample- This is a sample of the lateral reading assessment for Lesson 1. Two students worked together to complete this.

Name

#5 #12

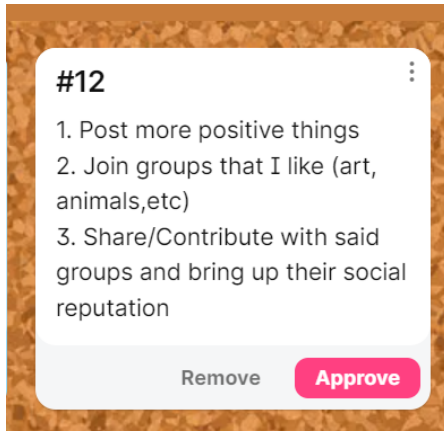

Lateral Reading

Search Words	What did you find?
Veronika Perkova	She came up as an environmental journalist, Nature podcast, etc.
Scientific American	Popular American science magazine, many famous scientists contributed, Reliable.

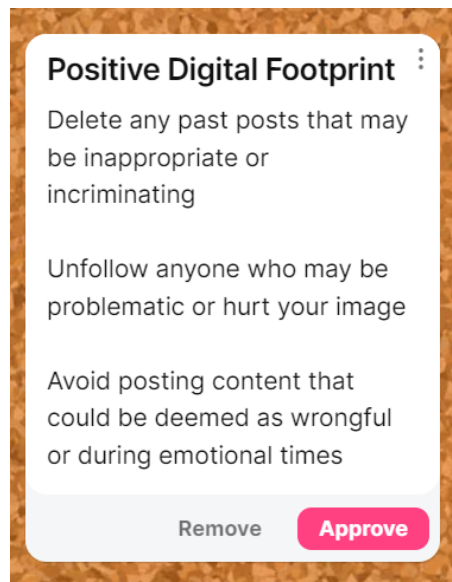

Do you think this source is reliable? Why?

Yes, Veronika is shown to be a real environmental journalist. Scientific American has also had multiple famous scientists contribute to articles since 1845.

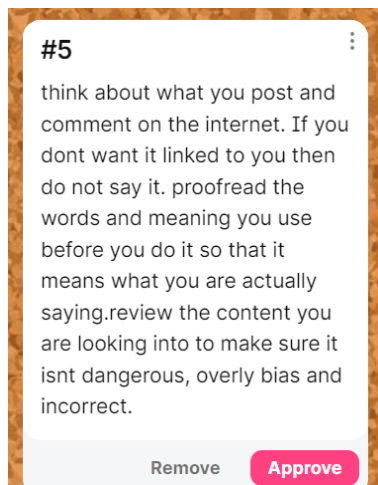

Samples from Creating a Positive Digital Footprint Lesson- These are screenshots from the Padlet assessment.
