

## Lesson Plan 1

### Teaching My Peers How to File Fold Clothes

- Relevance: Important skill for saving space, organization, and improves ease of access to clothes in one's wardrobe/dresser.
- Materials Required:
  - Hoodie
  - Pair of Pants
  - Table to fold on
- Engage class by having them sit around me while I demonstrate the task with each piece of clothing
- Give students a chance to try the task themselves to reinforce the lesson taught, and practice the skill on their own with guidance if need be
