This memorandum serves as an official agreement between my internship supervisor and me. We have agreed that I will be working for Hillenbrand Inc. remotely. My supervisor is Andrew Wilder, Chief Information Security Officer. My internship job title is Cybersecurity Intern. The internship dates are January 9<sup>th</sup>, 2023, through April 3<sup>rd</sup>, 2023.

The primary learning objectives for this internship are:

1. Learn about Security Operations using Crowdstrike, PishER, and other platforms.
2. Explore the different career options and paths by meeting with members of the cybersecurity team.
3. Time management and planning for school credit using Monday.com, Microsoft Teams, and other services.
4. Continuous education through webinars, meetings, podcasts, and other educational material.
5. Individual project work such as the Tanium project.
