EDUCATION

- Floyd E. Kellam High School*, Virginia Beach, VA 2013-2017
- AP Calculus BC, AP Physics 1 & 2, AP Statistics, Introduction to Engineering
- West Virginia University*, Morgantown, WV 2017-2019
- Biology 115, Biology 117 (Physiology), Psychology 101, French 301, 302, 304
- Tidewater Community College*, Virginia Beach, VA; **AAS Degree in Cybersecurity** 2019-2022
- ITN 170 (Unix), ITN 171 (Linux Admin), ITN 106/107 (Computer Software and Hardware), ITP 100 (Greenfoot Programming), ITN 101 (Networking), ITN 115 (Microsoft Office Suite), ITN 260 (Security Basics), MTH 161 (Precalculus)
- Old Dominion University*, Norfolk, VA; **bachelor's degree in Cybersecurity** 2022-2024
- IT 201 (Intro to Information Systems), CYSE 270 (Linux System for Cybersecurity), CYSE 301 (Cyber Techniques and Operation), CYSE 406 (Cyber Law), CYSE 407 (Digital Forensics), CYSE 425W (Cyber Strategy and Policy), CS 462 (Cybersecurity Foundations), CS 463 (Cryptography for Cybersecurity), CS 464 (Networked System Security)
 - **Minor in Cybercrime**; CRJS 215s (Intro to Criminology), CYSE 300 (Intro to Cybersecurity), CRJS 344 (Social Science and Crime Mapping), CYSE 409 (Crime and Computer Applications)
 - **Certificate in Digital Forensics**; CYSE 407 (Digital Forensics)

I am currently working towards a bachelor's degree in cybersecurity at Old Dominion University. I am on track to graduate in Summer of 2024. I have developed an interest in the configuration of network switches, routers, and firewalls. I have also gained an interest in additive manufacturing and would like to learn more about it. I have experienced COTS obsolescence, with computer towers and laptops, graphics cards, external solid-state drives, in my current position as an electronics sales technician for Navy Exchange Service Command.

COMPUTER SKILLS

Able to use different Operating Systems (Linux and Microsoft Windows)

Proficient in using the Windows Terminal and Administrative Tools to check the event logs

I have 16 years of experience with the Microsoft Office Suite and related software such as LibreOffice

General knowledge and usage, via ODU coursework, of MS Access

I have been assembling PCs, installing, and configuring the Windows OS for about 9 years

Studied CompTIA Security Plus in ITN 260

Studied CompTIA Network Plus in ITN 101

Experience in writing firewall rules in and configuring host-based firewalls using command line

Basic knowledge of the OSI model and network topologies

Proficient in Linux Administration for both Debian and RPM based distributions

Knowledgeable in Windows and Linux scripting languages

Experience in use of digital forensics tools such as Autopsy, Hex Workshop, and Wireshark

Knowledge of how to conduct digital forensic investigations and processes of collecting evidence

Proficient in Java programming language
Hands-on experience using data loss prevention tools within a classroom environment
Able to read and interpret vulnerability assessments and understand the risks and potential vulnerability of applications, services, networks, and servers
Experienced in Point-of-Sale systems, running Red Hat 7, and Zebra barcode scanners and printers

OTHER SKILLS

Organizational Skills i.e., sorting files, taking inventory/replenishing of stock, data entry tool, customer service advocate, time management skills
Analytical Skills i.e., complex problem solving, data interpretation, critical thinking
Bilingual (French)
Photography
Easily Adaptable
Able to work as part of a team and manage interpersonal relationships

JOB EXPERIENCE

Portrait Photographer at Lifetouch Portrait Studios	October 2019-October 2020
Electronics Sales Associate at Navy Exchange Oceana/Nexcom	January 2022-August 2022
Electronics Sales Technician at Navy Exchange Oceana/Nexcom	August 2022-Present

VOLUNTEER ACTIVITIES

Animal Friends of Central West Virginia | United Way | Relay for Life | Beta Psi Omega -
Volunteering Events |

ACTIVITIES

Member , Oakland Hall Community Council (WVU)	September 2017-May 2018
Historian , Beta Psi Omega Fraternity at WVU	January 2018-June 2018
Member , Tidewater Community College Cyber Security Club	January 2021-December 2022
Member , C2SA, ODU Cyber Security Student Association	August 2022-Present
Member , Tau Sigma National Honor Society	February 2023-Present
