

WILLIAM & MARY LAW SCHOOL

VIRGINIA COASTAL POLICY CENTER

What Does Virginia Coastal Policy Center Do?

- Provides partners and clients with science-based policy analysis
- Conducts research on coastal issues
- Creates forums for dialogue on coastal resource and community challenges
- Engages students in experiential, interdisciplinary coastal lawyering

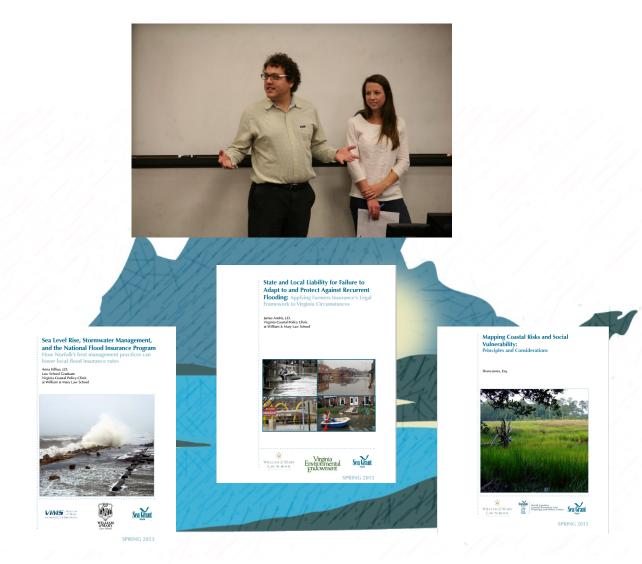

Science-Based Policy Analysis

- Partners with Virginia Institute of Marine Science and NOAA's
 Virginia Sea Grant Program, along with a host of others
- Focuses student lawyering on the intersections among science, law and policy
- Encourages proactive policy-making

Research on Coastal Issues

- Research and author 'whitepapers' of publishable quality on coastal policy issues
- Engage governmental, scientific, military, private sector, and NGO leaders in conducting research
- Drive real-world policy change

Creating Forums: Annual Climate Change Conference

- 2013: Adaptive Planning for Flooding & Coastal Change in Virginia
- 2014: Adaptive Planning for Flooding and Coastal Change in Virginia: Next Steps for the Commonwealth
- 2015: Show Me the Money: The Economic Realities of Responding to Coastal Change and Adaptation in Virginia

Partnerships With Other Organizations

• Chesapeake Bay Commission

Commonwealth of Virginia

Hampton Roads Planning District Commission

Middle Peninsula Planning District Commission

North Carolina State University

Old Dominion University

Southeast CARE Coalition

Wetlands Watch

US Navy

Student Engagement in Coastal Lawyering

- Students experience the realities of coastal policy challenges
 - Participate in executive and legislative activities
 - Work with scientists, advocates, political leaders, government officials
 - Engage on-site with community leaders
 - Develop policy solutions for partners and clients
- Students learn from national and state leaders as part of their curriculum

Coastal Lawyering: Social Vulnerability Partnering: Policy

- Develop policy frameworks for defining and protecting socially vulnerable communities working with VIMS and W&M Policy School (law.wm.edu/ vacoastal).
- Establish baseline understandings of legal policies and issues among the "most connected" and the "most affected" working with a vulnerable community,
- Prepare forums for discussions on environmental justice policy solutions, working with environmental justice experts.

Coastal Lawyering: Social Vulnerability Partnering: Southeast CARE Coalition

• Commitment to invest VCPC time and talent in the Southeast community over the long term.

Currently analyzing local land use plans and possibilities; evacuation

plans; climate change impacts.

• Engaging with the community.

Learning!!
