

WORKSHOP WRAP UP: MOVING FORWARD WITH UNIVERSITY-COMMUNITY PARTNERSHIPS FOR RESILIENCE

Wie Yusuf

School of Public Service, Strome College of Business

Old Dominion University

WORKSHOP GOALS

- ❖ Bring together university partners with community organizations to foster relationships, build partnerships, and develop resilience service-learning projects
- ❖ We hope you have had opportunities to meet potential partners and explore possible service-learning projects

WANT MORE INFORMATION ABOUT SERVICE-LEARNING

- ❖ Additional resources are available on the project's website:
<https://sites.wp.odu.edu/resiliencepartnership/resources/>
- ❖ Let us know if you have specific information needs!

HOW DO WE MOVE FORWARD?

- ❖ Have other service-learning project needs?
 - Want to find a faculty partner?
 - Want to find a community partner?
- ❖ List on GivePulse - <https://odu.givepulse.com/>
 - A website to list, find, organize and measure impact of service-learning projects
 - More details about using GivePulse will be provided
- ❖ What other tools or resources are needed to maintain this momentum?
 - Share your ideas. Let us know!

WE WANT TO SUPPORT YOUR PROJECTS!

- ❖ Up to \$500 seed funding for resilience service-learning projects

All workshop participants are eligible – must complete workshop evaluation!

- ❖ **Timeline**

May 23rd – Workshop Evaluations disseminated

Indicate interest in applying for project seed funding

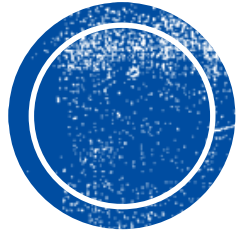

June 1st – Project seed funding application circulated via e-mail

July 8th – Completed applications due

July 15th – Project seed funding decisions communicated

Mid-August – Project seed funding disbursed

**THANKS FOR
PARTICIPATING!**
