

An abstract graphic on the left side of the slide featuring several overlapping, rounded, organic shapes. The colors are primarily shades of blue (from deep navy to bright cyan) and green (from forest green to lime green). The shapes have a layered, semi-transparent appearance, creating a sense of depth and movement. The overall composition is dynamic and modern.

To You

Jun 7

...

Hi Sarah,

Welcome to ODU!

My name is Kelsey and I will be working with you as your Success Coach this year! As your success coach, my role is to assist you with your transition from high school to college.

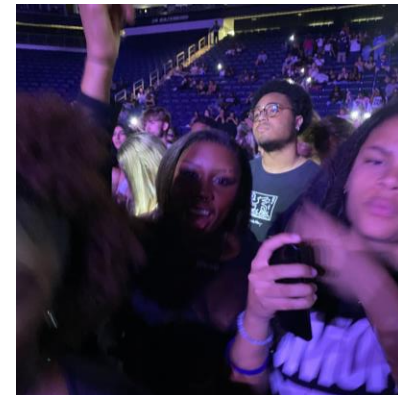

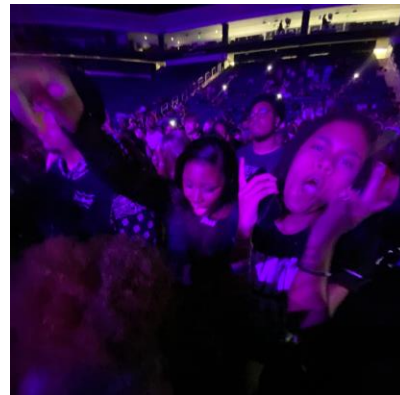

We will have monthly meetings to work on goals, time management, and discuss any resources you may need! Should you need anything before orientation starts, please let me know!

We will set up a meeting *once you have already attended orientation* to review any information you may still have questions about and make sure you are prepared for classes to start in August. I am looking forward to working with you this year!

SUCCESS COACH

- **I don't have any pics of our sessions, but Ms. Kelsey has been very helpful throughout my first semester of college.**
