Method of Delivery

This is an on-campus, in-person (face-to-face) course that will utilize lectures, case studies, discussion boards, reading assignments, videos, critical thinking activities, coloring book, and guest speakers. The Canvas Learning Management system provided to you by GCC is where course content will be housed.

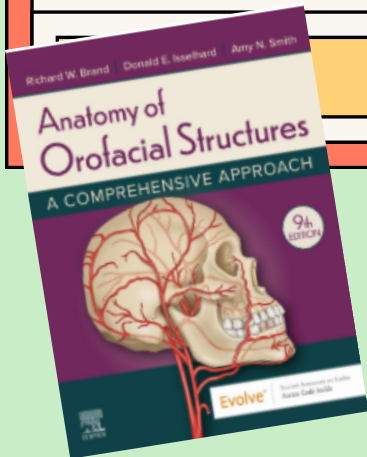

Required Textbook:

The following textbook is required and will be in the book bundle you buy from the LGC bookstore:

- Brand R.W., Isselhard D.E., & Smith, A.N. (2024). Anatomy of Orofacial Structures. Elsevier. 9th Edition
ISBN: 9780323796996

Supplement Readings:

Additional readings are extra information that will help you learn more current research and studies on the information we are learning.

Each module in our Canvas shell will contain additional readings which could be other books and/or articles.
