Experience

February 2021 – March 2022
Enlisted Soldier • Army

An enlisted Army soldier who went through the Reserve Officers' Training Corps(ROTC) typically begins their military career by enlisting in the Army and then participating in the ROTC program while pursuing a college degree. This dual path allows me to gain hands-on experience as enlisted personnel while simultaneously preparing for a commission as an officer upon graduation. I undergo basic training while fulfilling my ROTC requirements, blending practical military skills with academic education to become a well-rounded leader in the U.S. Army.

Extra-Curricular Activities

Women's Club Volleyball – Vice President
