ePortfolio Criteria	Needs Improvement	Satisfactory	Good	Excellent	Feedback
REFLECTION Reflections make connections, are insightful, or explain importance.	Few reflections, if any, vaguely identify growth, skills, and accomplishments and some may be repetitive	Some of the reflections identify growth, skills, or accomplishments and may be repetitive	A majority of the reflections clearly analyze growth, skills, and accomplishments without being repetitive	All reflections insightfully, consistently, and clearly analyze growth, skills, and accomplishments without being repetitive	(_ /8 points)
ARTIFACT SELECTION Artifacts provide evidence of the student's learning and support the claims being made. Artifacts are contextualized so that the reason for their inclusion is clear.	The artifacts do not support the reflections or competencies	Some of the artifacts support the reflections and competencies	A majority of the artifacts support the reflections and competencies	All artifacts are clearly and directly supporting the reflections and competencies	(_ /8 points)
CULTURAL UNDERSTANDING Develops cross-cultural understanding or a similar or parallel understanding in another culture.	Minimally explains the relationships between products, practices, and perspectives of another culture to their own	Partially explains the relationships between products, practices, and perspectives of another culture to their own	Adequately explains the relationships between products, practices, and perspectives of another culture to their own	Fully explains the relationships between products, practices, and perspectives of another culture to their own	(_ /8 points)
WRITING CONVENTIONS Writing uses professional and appropriate conventions.	Writing is not professional, spelling and grammatical errors create distraction, making reading difficult	Some writing is professional; spelling and grammatical errors may impair readability	Writing is mostly professional; few spelling and grammatical errors allowing reader to follow ideas clearly	Writing is professional; free of distracting spelling and grammatical errors	(_ /4 points)
FORMAT Updates required elements of the eportfolio (e.g. home page, assessment tab, artifacts are embedded).	Fails to update all eportfolio requirements	Updates some eportfolio requirements; may have some assembly errors	Updates most eportfolio requirements; eportfolio is correctly assembled	Updates all assignment requirements and evidences attention to detail; essay is correctly assembled with professional look	(_ /4 points)
