

Stephen Giorgi

OBJECTIVE

Cybersecurity Major and United States Marine Corps Reserve Systems Administrator seeking to leverage critical thinking and collaboration skills for self-motivated work and leadership opportunities.

PROFESSIONAL SUMMARY

Stephen scores high in openness to experience (96 of 100) on the Big Five Personality test, comparing much higher than the national average in creative imagination, aesthetic sensitivity, and intellectual curiosity. He also scores high in agreeableness (75 of 100), possessing a strong sense of compassion that makes him less predisposed to workplace tension and hostility. Scoring moderately in extraversion (54 of 100), Stephen adapts well as either a leader or follower.

WORK EXPERIENCE

Marine Corps Reserve

April 2021 – Present

Systems Administrator

- Engaged in collaborative teamwork across military and civilian environments.
- Completed extensive training including Marine Corps Recruit Training (February 2020) and Military Occupational Specialty Course focusing on system administration.
