

Webquest Rubric	Amazing Job(4)	Great Work (3)	Keep Trying (2)	Needs More Effort (1)
Creativity	I watched the whole video and I answered all the questions.	I watched most of the video and answered most of the questions.	I watched some of the video and answered only a few questions.	I did not watch the video or answer the questions
Playing the Sorting Game	I got most or all of the answers right and understood the game!	I was able to get most of the answers correct.	I tried the game but I made alot of mistakes.	I did not try or finish the game.
Hands On Experiment	I did the experiment carefully and followed the lab safety rules. I recorded my observations and explained it clearly.	I did the experiment, wrote some notes and explained a little	I did the experiment but I did not explain it much.	I did not do the experiment or write anything.
Creating your comic	I created a very creative comic (main character, story on phases of matter) with lots of details and explains things clearly.	I created comic with main character. There was some details included in my comic on the phases of matter.	I created a comic that is missing some detail from the story on matter.	I did not create a comic or it was hard to understand.
