Summary

D1 basketball player majoring in leadership while working on real estate license. CEO of a nonprofit community outreach program and clothing brand. Mentors kids coming up in the inner city through recreation basketball sport during off season. Long term goals are to go professional overseas and stack money to invest into real estate while managing nonprofit program to create safe space for at risk youth to help them reach their goals in life. Im a firm believer that no kids is bad just misunderstood and need the right people to help inspire and motivate
