Professional Development
Manager

Please note: Continuing education credits issued for participation in CE activities offered by ADEA may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his/her state licensing board(s). Participants should retain the verification of attendance for their records.

The American Dental Education Association is an ADA CERP recognized provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at www.CCEPR.ada.org.
