

CYSE 609 – FUND LINUX SYST FOR CYBER

Module 1 | Installation of Linux VM

Total: 100 Points

Name: Xavier Guiler

Task 1: Launch a Linux VM (100 Points)

Follow the instructions outlined in the video link found in Module 1 to install Ubuntu on either Windows/MacBook with Intel or MacBook with M1/M2 chip.

Launch the VM after installing it and take a screenshot of the Terminal.
